2019 Junior College

# PRINCIPAL'S MESSAGE

## **Kia ora tātou. Welcome to Hagley's Junior Graduating College!**

What's important at Hagley, a school with a 160 year old history which makes it nearly as old as Christchurch itself?

Our values matter. Those values are seen in the relationships our teachers build with each of our students. It's how we treat our students that sets Hagley apart, valuing them as individuals – that is the Hagley way. What does that mean for our students? They feel that teachers are interested in them and care about their learning, they feel that they're experiencing success – and much more.

We're often asked, what makes Hagley different? We have a culture like no other. No one wears a

uniform and everyone's on a first name basis. But that's just for starters. Students come to Hagley because they're treated with respect, accepted for who they are as unique individuals. They know it's cool to be different!

We love our students aiming high and doing well. We believe there is no single stereotype for success. At Hagley being successful comes in many shapes and forms.

We want you to feel excited about coming here. We look forward to you being part of Hagley's 2019 Junior Graduating College!

**Mike Fowler - Principal**

# DESIGNATED CHARACTER SCHOOL

## That means:

1. We're a designated character school established under Section 156 of the Education Act.
2. We act as a regional hub across Christchurch.
3. We provide students with a significantly different learning environment achieved through delivery models not offered in conventional high school settings. We offer a broad curriculum that allows students across Christchurch to access a relevant education designed around their individual needs.
4. Our designated character is lived out:
  - By ensuring the Board, staff, students and the culture of the school values trust, integrity and personal responsibility
  - By being open for instruction between the hours of 8.40am – 9pm to enable access to education by adult students
  - By providing innovative learning programmes which:
    - include core curriculum, specialist pathways and collaboration with other regional groups
    - provide for full-time and part-time students who are based both on the Hagley campus and in collaborative learning experiences across the city

- are for both adolescents (secondary students) and adults

- provide for disengaged adolescent and adult learners, students with previously limited aspirations and for those who now want to engage with learning but are finding it difficult to do so.

## What does our designated character status mean for you?

It's our job to find out if Hagley's special character will work for you. We need to know whether you meet these designated character criteria to ensure you are eligible to enrol at Hagley. Criteria are:

- *You make a commitment to the College's values of trust, respect, integrity and personal responsibility*
- *You are willing to engage in Hagley's culture and environment by being adaptable, flexible and working collaboratively*
- *The College has confidence that you can be supported and that we can make a difference to your learning*
- *There is an identified and agreed programme of learning that meets your needs*
- *There is a place available for you in an identified programme of learning.*

“Hagley doesn't force you to go in a straight line - you get to branch off.”

*Hagley is a designated character school. You can read our designated character criteria on page 3.*

## Tuakana-Taina

### The story behind Hagley's values.

Our school values at Hagley are represented by this koru symbol. The **tuakana** (*older koru fern*) shelters the **taina** (*younger koru*) as it grows and unfurls.

With these values in place, the taina of today will become the tuakana of tomorrow.

### Whakamarumaru RESPONSIBILITY

Whakamarumaru means 'to cause shade'; the tuakana protects the taina, helping it grow.

### Mana RESPECT

Mana is the relationship of mutual respect between the tuakana and taina.

### Whakawhirinaki TRUST

Whirinaki means 'to lean upon'; the taina relies upon the tuakana to provide support.

### Tika INTEGRITY

Tika is to be correct; when something is the way it should be.

# Learning in the Junior College

## Transferable Skills & Learning Areas

The Transferable Skills Framework which we have developed at Hagley has strong links to the key competencies of the NZ curriculum.

Within the eight learning areas of the curriculum there is an emphasis on students becoming more effective learners through developing these transferable skills while, at the same time, learning new knowledge.

*Junior College*

# Te Putanga ("The Emergence")

## Junior College Te Putanga

**Te Putanga has been designed to help improve student learning and motivation.**

The programme requires a Contract of Learning to be signed at enrolment. The contract is a formal agreement between the College, caregivers and the student. It ensures that everyone agrees to meet their obligations to enable the student to be a successful learner.

## Tohu (Points)

**All Year 9 and Year 10 programmes have tohu allocated to them that students can accumulate over the year.**

The tohu are based upon the Transferable Skills Framework. Students accumulate points and to graduate need to have acquired 60% of the available points in their first and second years of study. Each successful student will be awarded a Graduating Diploma of Learning at the end-of-year Graduation and Prize Giving ceremony. This diploma demonstrates that the student has reached a level of learning to successfully equip them for study in the Senior College.
