

# Sign-Up for Hagley College Summer Sport

## Summer Sport Information for 2020

A variety of summer sports are offered during Terms 1. The school supplies an appropriate uniform. Many games are played at Hagley. We provide transport to and from an alternate venue, when required.

Regardless of ability or the level of competition, our aim is to get as many students involved as possible. When making the decision to commit to a sport or team, you are agreeing to attend all the practices and games for the season.

If you're thinking of registering for a sport this season, please consider the time factor and obligation required. This will need to be discussed with your parent or guardian before a decision to commit is made.

If this is for you, congratulations! Please complete the form below and deliver it to the Enrolment Centre with your fee. This year a minimum of \$10 is required to confirm your place. This is non-refundable if we run the sport and will be taken off the sport fee.

If you or your parent/guardian have any questions regarding a certain sport, please feel free to contact us here at Hagley Sport Department on 364 5151, [Emma.Dow@staff.hagley.school.nz](mailto:Emma.Dow@staff.hagley.school.nz); [Clint.pilkington@staff.hagley.school.nz](mailto:Clint.pilkington@staff.hagley.school.nz)
