

Special Conditions Enrolment Policy

Purpose: The purpose of the policy is to set out the special conditions in which the Enrolment Committee will consider enrolment of a student aged under their 19th birthday at Hagley after the closing date for applications

Rationale: Hagley College is a unique educational institute which specialises in second-chance education for students who have had significant disadvantage in a previous school.

Policy:

An enrolment for a student will be considered after the closing date for applications if the following special conditions are met:

1. The student meets designated character criteria; and
2. There is demonstrated significant disadvantage for the student to remain in their current school; and/or
3. There is documented engagement with a support agency.

All applications meeting the the special conditions will be considered by the Enrolment Committee and the final decision regarding enrolment will be completely at the discretion of the Enrolment Committee. The Enrolment Committee will take into account the best interests of the student along with the interests of the school and resourcing.
