

25.2.2022

Kia ora e te whānau,

The health and wellbeing of our ākonga, staff and whānau is our top priority.

We're sending this letter as there is a confirmed case of COVID-19 in our school community. The student was at Te Puna Wai o Waipapa / Hagley College this week. The student and his household are now isolating for ten days. We are now following Ministry of Education advice which specifies there is no need for other students to self isolate.

What you need to do

- You and your whānau should watch for symptoms
- If any develop, get tested immediately
- Once tested, stay at home until you receive the test result

What we're doing

- Te Puna Wai o Waipapa / Hagley College will stay open as usual
- We have appropriate public health measures and cleaning procedures in place

Symptoms of COVID-19

- A new or worsening cough
- Sneezing and runny nose
- A fever
- Temporary loss of smell or altered sense of taste
- Sore throat
- Shortness of breath

Less common symptoms include diarrhoea, headache, muscle aches, nausea, vomiting, malaise, chest pain, abdominal pain, joint pain, or confusion/irritability.
