Making informed decisions about which courses to study is really important. The Hagley College SchoolPoint selection tool is designed to help you make the best possible choices by giving you information about individual courses.

It is now time for students who are in Years 10 to 13 to select their courses for 2023.

It is important to take the opportunities for advice which the school provides as you plan for your courses, talk to your teachers, your tutor and careers.

Please use the **Login button at the top of screen** to allow you to select courses. You will use your normal username and password that you use for the portal.

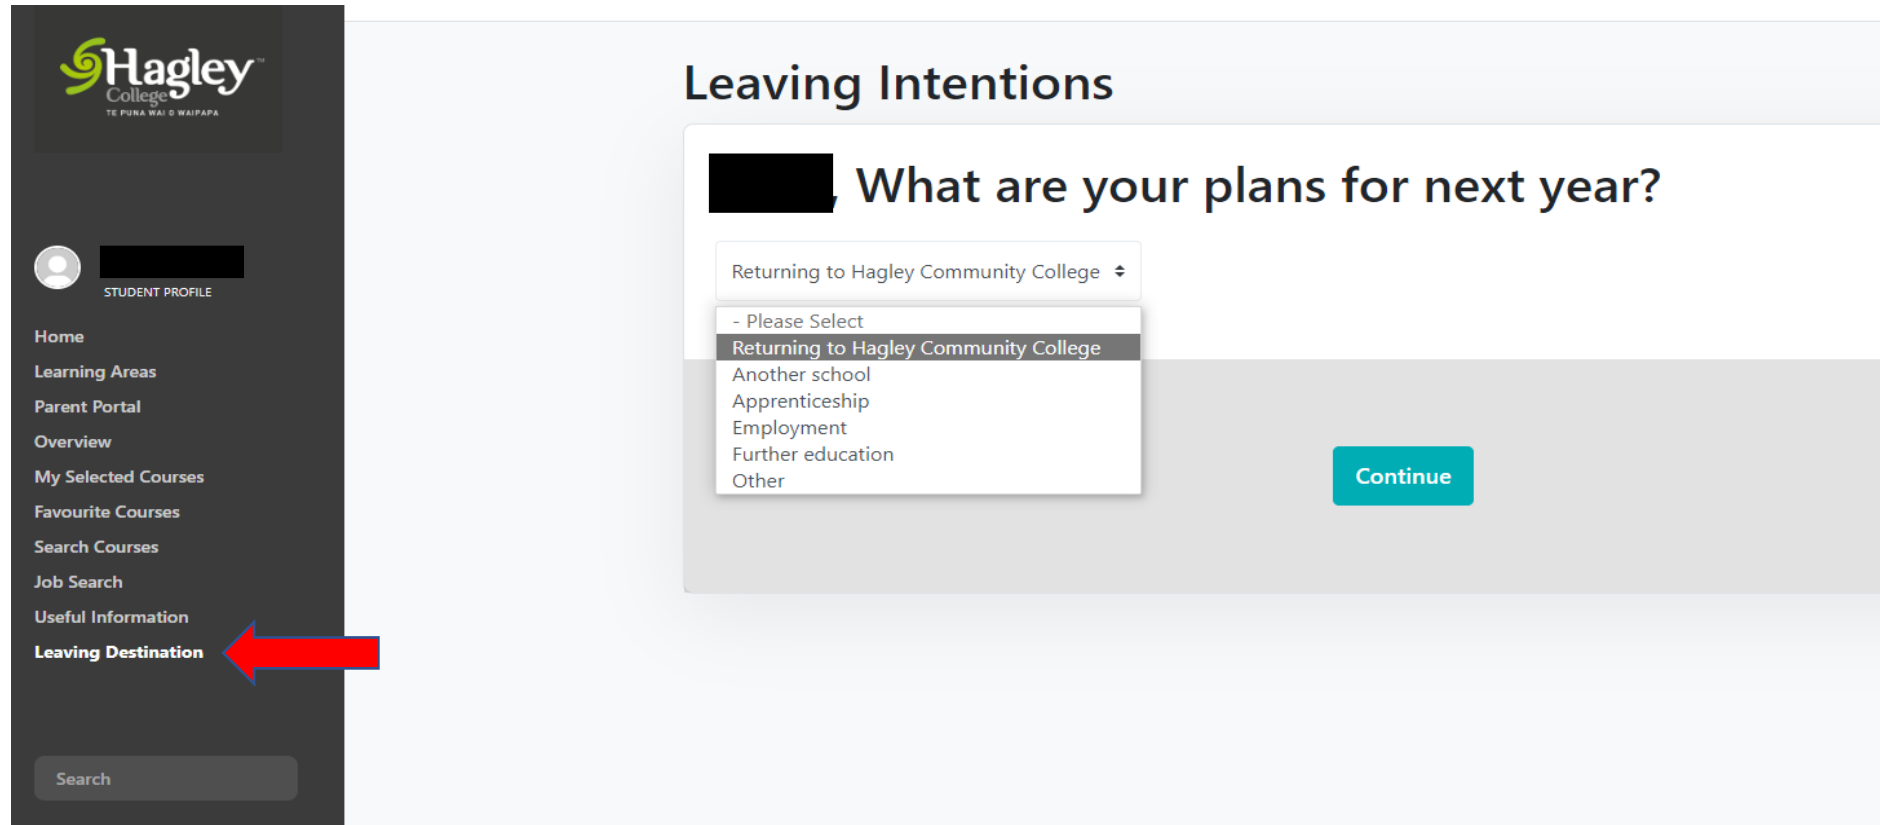

We ask that all subject selections for Years 10 to 13 are made by **Friday 9th September**.

Please click on the Useful Information section to find out more details on how to select courses.
