ENROLMENT GUIDELINES FOR THE AFTER 3 PROGRAMME

It is the intention of the After3 programme to cater for the learning needs of Adult and Senior students in a mature learning environment.

Students in the After3 programme must be 16 years or above to enrol. Students are required to have a photo taken for our SMS and must attend all classes between February 7th and March 15th, 2024 for funding purposes.

Adolescents, under 19 years who are wanting to enrol into the After3 programme:

- Senior adolescent day school students may in some circumstances make up their fulltime programme with both day and After3 courses.
- These enrolments need the approval from their parent or caregiver, and the After3 Administration.
- The day school fee structure will apply to any student in both the day and After3 programmes.
- Students should note that while an After3 course might offer them learning in any area they are interested in, it may limit their ability to gain credits, which is critical, particularly to achieve a Level 2 or 3 NCEA certificate or University Entrance.

Adult students 19 years and over:

- The College Enrolment Fee will apply to all adult students in both the day and After3 programmes.
 - Students can study a maximum of up to 20 hours per week. This can be across both day and After3 courses.
 - Students should note that while an After3 course might offer them learning in any area they are interested in, it may limit their ability to gain credits, which is critical, particularly at Level 2 or 3 and for University Entrance (UE).

A DESIGNATED CHARACTER SCHOOL

The Board invites applications from students who wish to enrol at the College for 2024. Enrolment is governed by an Enrolment Scheme, details of which are available from the College website.

As a Designated Character School, our maximum roll is prescribed by the Secretary for Education. In 2024 our roll is set at 1,400 full time equivalent student places.

What Hagley's Designated Character School Means

 - By being open for instruction between the hours of 8.30am – 9pm to enable access to education by adult students
 - By providing innovative learning programmes which:
 - Include core curriculum, specialist pathways and collaboration with other regional groups
 - Provide for full time and part time students who are based both on the Hagley campus and in collaborative learning experiences across the city
 - Are for both adolescents (secondary students) and adults
 - Provide for disengaged adolescent and adult learners, students with previously limited aspirations and for those who now want to engage with learning but are finding it difficult to do so.
