Nau mai, piki mai, haere mai. Welcome to After 3 at Te Puna Wai o Waipapa - Hagley College.

Come and be excited by learning once again. The After 3 programme provides you with over 50 courses to help advance your learning into the College's Senior NCEA programmes or tertiary study.

Te Puna Wai o Waipapa - Hagley College is a central city hub of learning opportunities within our region for those wanting to establish new directions and pick up where they left off educationally. The ability to upskill and refresh prior learning continues to be vitally important, especially in these times.

Our After 3 programme embodies the College mission statement: life long learning that is accessible to all.

We look forward to you joining us in 2024 for an exciting new stage in your learning pathway.

***Ka puāwai te koru, ka puāwai te tangata.
As the koru opens, so too does the person.***

Te Puna Wai o Waipapa - Hagley College is a...

Designated Character School

That means:

1. We're a designated character school established under Section 156 of the Education Act.
2. We act as a regional hub across Christchurch.
3. We provide students with a significantly different learning environment achieved through delivery models not offered in conventional high school settings. We offer a broad curriculum that allows students across Christchurch to access a relevant education designed around their individual needs.
4. Our designated character is lived out:
 - By ensuring the Board, staff and students demonstrate commitment to the school's culture and values: Whakamarumaru (Responsibility), Whakawhirinaki (Trust), Mana (Respect), Tika (Integrity)
 - By being open for instruction between the hours of 8.30am – 9pm to enable access to education by adult students
 - By providing innovative learning programmes which:
 - include core curriculum, specialist pathways and collaboration with other regional groups.
 - provide for full-time and part-time students who are based both on the Hagley campus and in collaborative learning experiences across the city.
 - are for both adolescents (secondary students) and adults.
 - provide for disengaged adolescent and adult learners, students with previously limited aspirations and for those who now want to engage with learning but are finding it difficult to do so.

What does our Designated Character status mean for you?

It's our job to find out if our special character will work for you. We need to know whether you meet these designated character criteria to ensure you are eligible to enrol at Te Puna Wai o Waipapa - Hagley College.

Criteria are:

- You make a commitment to the College's values of trust, respect, integrity and personal responsibility.
- You are willing to engage in the College's culture and environment by being adaptable, flexible and working collaboratively.
- The College has confidence that you can be supported and that we can make a difference to your learning.
- There is an identified and agreed programme of learning that meets your needs.
- There is a place available for you in an identified programme of learning.

What is After 3?

Pathways to further learning...

At Te Puna Wai o Waipapa - Hagley College we believe that everyone should have the opportunity to learn and that these opportunities should be available throughout life. This is what the After 3 programme creates: new opportunities for learning. These programmes are at a secondary learning level but with a difference.

Personalised learning is at the centre of how we work at the College. We know that students have many different reasons for engaging in study. Teachers in each After 3 course assist you to identify your personal goals to enhance the relevance of the learning to your particular needs. Our After 3 courses build the skills and understandings needed to transition successfully into Senior College NCEA programmes at Te Puna Wai o Waipapa - Hagley College, vocational pathways or, in some cases, tertiary level programmes. Our After 3 teachers support you to identify and move in the direction you see as important.

After 3 Intermediate and Advanced classes offer NCEA credits to enable further programmes of learning at Te Puna Wai o Waipapa - Hagley College and beyond.

After 3 gives adult and senior students the opportunity to study a wide range of courses away from their daytime commitments. Most courses run from early evening during the week and, in some cases, in the weekend. We offer over 50 courses in the faculties of Art and Media, Business & Community Studies, English, English Language Learning, Food and Hospitality, Languages, Mathematics, Performing Arts, Practical Design (Textiles and Technology courses), Science Health Studies and Tertiary Pathways.

Over 800 students each year make the decision to study in After 3. We look forward to you making your own success story at Te Puna Wai o Waipapa - Hagley College in 2024.

My Story

Do you want to take your writing seriously and be guided and extended?

Since 2007, the Hagley Writers' Institute has offered a challenging and stimulating programme for adult writers in Ōtautahi.

Course Components

Course Structure

Groups of up to 12 students work with a teacher to write in a range of forms. Tutors introduce students to a wide range of quality writing, and encourage them to explore different forms. Students are supported to pursue their own interests, from poetry, long and short-form fiction and creative non-fiction, to memoir, theatre script, screenplay, and hybrid forms. Students become expert readers, learn to give and receive critique, and establish their own writing practice. They also hear from guest speakers and participate in workshops by established local and visiting writers. The course is a valuable way to connect with other writers and find opportunities to participate in the local writing community. Each student is also assigned a mentor to provide expert feedback on a small portion of their work.

Outcomes

Students prepare a portfolio of their best work as a requirement of graduation. There is also a half-portfolio option. At the end of the year, the portfolios are assessed internally for the Hagley Writers' Institute Certificate and endorsed at either 'attainment' or 'cum laude' (distinction) level. Students receive written feedback on their work. A shortlist of the full portfolios are externally assessed and the Margaret Mahy Award is given to one portfolio to acknowledge writing excellence.

Programme

Classes are designed to fit in with writers' busy schedules and are held on Saturday mornings from 9.30am-12.30pm for 20 weeks spread throughout the first three terms – 7 weeks in Terms 1 and 2, and 6 weeks in Term 3. Students accepted into the Institute are expected to make a serious commitment to their writing practice in addition to the Saturday morning classes.

Second-year writers' class: In 2024, we are offering an advanced, second-year class on Saturday afternoons (1:30-4:30pm) for students who have already completed at least one year at Hagley Writers' Institute to further extend their writing skills.

Online option: For students living outside of Canterbury we will be offering an online Tuesday evening class (6:30-9:30pm) via Zoom in 2024, following the same format as the Saturday morning option.

Classes need a minimum number of students to run.

TERTIARY PATHWAYS

Overview

- After 3 Numeracy for Uni
- Catch-Up College
- Fast Path to Engineering

WED

Fast Path to Engineering

5-9PM

Term 3 & 4

This programme is part of a collaboration with the University of Canterbury to offer a pathway to Engineering or Product Design.

In Term 3 & 4 of 2024 you complete a Level 2 NCEA Physics and Maths integrated course in our After 3 programme. Upon successful completion, this will lead you to the next stage, a Certificate of University Preparation (CUP) at UC. Successful completion of the CUP course in the relevant subjects (Maths, Physics and /or Chemistry) would then mean you could enrol in a first year Engineering course or Product Design course.

ELIGIBILITY: Those aged 20+ considering a change in career

Stage 1

Te Puna Wai o Waipapa Hagley College After 3 Programme from June

Pre-UC Mathematics course (Tuesdays 6-9pm, from mid May)

Pre-UC Physics and Maths integrated course (Wednesdays 5-9pm, Fridays 4-6pm online)

Blend of online and face-to-face delivery

Visits to UC to meet teachers from Stage 2 Transitions programme

Pre-requisite: NCEA Level 1 Math, with algebra fundamentals

Stage 2

University of Canterbury Transitions Programme Nov - Feb

TRNS007 Preparatory Mathematics

TRNS008 Fundamentals of Physics

TRNS017 Mathematics with Calculus (for Engineering) or

TRNS006 Chemistry: An introduction to atoms, bonding, and reactions (for Product Design)

Blend of online and face-to-face delivery

Stage 3

University of Canterbury College of Engineering 1st year degree study: from February 2025

Use the Physics and Mathematics skills you have learned to begin your journey into Engineering or Product Design degrees (BE(Hons) or BProdDesign).

Student advisors in the College of Engineering will design a customised first year course of study based on your Stage 1 and 2 performance and your future aspirations. There are a range of engineering and product design disciplines to choose from. Work experience will be taken into account.

Programme features

Support – Advice and guidance from early on in your pathway about study options, demands and expectations, particularly in Mathematics

Skill development – Develop study habits and strategies for success at degree level

Connections – Grow an established network of fellow students through the cohort progressing together, and become familiar with UC campus, learning systems and people

Here at Hagley we understand that pathways to tertiary education can take many twists and turns. If you have fallen a little short of completing your NCEA level certificate or University Entrance, or have been out of study for some time and want to update your skills before entering tertiary education, we can help!

After 3

MON 6-8PM

Numeracy for Uni

Numeracy for Engineering and Physical Sciences (13EPS) 2 Semesters

The aim of the course is to prepare students with numeracy, algebra, basic trigonometry and graphing skills. This course runs twice a year with the option to start in February or June, leading into the July or November CUP programmes.

No NCEA credits for this course.

13EPS leads into the University CUP course TRNS007 Preparatory Mathematics

TUE 6-9PM

Numeracy for Other Degrees (11MATN)

Students wanting to meet basic numeracy requirements for university entry (e.g. for Social Work or Education) or for entry into CUP can enrol in 11MAT on Tuesday evenings. 11MAT is a full year course.

The 11MAT course leads into the university CUP course *TRNS009 An Introduction to Statistics and Probability*, which prepares students for Commerce and other degrees.

Catch-Up College

Hagley's Catch-Up College enables students to get the credits they need to enter tertiary study.

We offer a wide range of subjects in our January Intensive, as well as individualised Catch-Up enrolments into our Senior College through the year. Talk to us if you need credits in English, Maths or another subject at any level for particular course entry requirements.

Cash, Eftpos, Visa/Mastercard or via internet banking. This can be done at the Enrolment Centre.

Eligibility

You are eligible to enrol in After 3 courses if:

- You are a NZ citizen or permanent resident or
- You are an Australian citizen
- You are aged 16 or over
- You are not currently enrolled in a secondary/correspondence school

Combining After 3 courses with day programmes

If you are also studying during the day at Te Puna Wai o Waipapa - Hagley College, the fee is based on the total number of classes being studied.

Free Enrolment

Enrol for free if you are the caregiver/parent of an adolescent studying at Te Puna Wai o Waipapa - Hagley College.

This also includes Hagley Preschool, course costs extra.

Material Fees

Material fees are applicable in some After 3 courses, in addition to the enrolment fee. Please see individual courses for details.

All material fees are an annual fee and must be paid at the time of enrolment. If you are unable to make payment in full, please see us to arrange a payment plan at the time of enrolment in order to confirm your place in the course.

Refund Policy:

(Refunds will be paid into the bank account of the person or agency responsible for the payment.)

Enrolment Fee

If a class is cancelled by the College or you withdraw before the February start date you will receive a full refund.

If you withdraw from classes within two weeks from the start of the course you will be refunded minus a \$50 administration fee. There will be no refund if you withdraw from classes more than two weeks after the course start date.

Materials Costs

Subject cost will be refunded at the discretion of the Tutor and will be based on costs already incurred.

As required by the Ministry of Education all students must provide proof of identity.

This can be either a:

- NZ birth certificate or passport
- Australian passport
- NZ Citizenship Certificate
- Passport with proof of residency
- Current student visa

Visitor visas or work permits are not eligible for enrolment.

Because After 3 programmes are designed to move students on a pathway to further learning, you can only be enrolled for a maximum of two years in a course (exception is a language course).

Keep Us Updated

Let us know if you will be away from class

You must let us know in person or through email if you are going to be away during the year **for more than three classes.**

This should be completed as soon as possible, at least two weeks prior to the leave dates. A leave application form can be picked up from the Enrolment Centre or we can email one to you.

If we have not heard from you and you are absent for more than three classes, we will remove you from the roll and your place may be taken by a waitlisted student.

Keep in touch

We will attempt to contact you at the phone numbers and email addresses you give us. **Please keep us updated if your contact details change.**

We will text you if a class is cancelled so please include your mobile number when enrolling.

Course Info

- After 3 courses run for a **full school year during school term times.**
- Most courses run once a week from Monday to Thursday.
- Most courses start at 6.00pm. Where courses are delivered at different times, this will be detailed in the course information we give you.
- Depending on the course, field trips or additional workshops may be scheduled throughout the year. Your teacher will provide details at the start of your course.
- If places become available, new enrolments may be accepted during Term 1 and 2.
- Students must attend all classes between February and March 2024 for funding reasons.
