Junior College 2024

Nau mai, haere mai, ki Te Puna Wai o Waipapa Welcome to Hagley!

Te Puna Wai o Waipapa - Hagley College is a great place. It is an all age community college. It is a multi-cultural community with a **strong whānau** and a large number of international students. It is a co-educational community in which equal opportunity is valued. Staff are all addressed by first name. We welcome back students who have been part of our College before and we extend a very warm welcome to our new students. The good news is there are many new students so you don't 'look new' as you might at other schools. People come here from all parts of the city and all sectors of the community. We expect every person on the campus to make sensible use of their time, respect the opinions of others and care for the facilities provided. We aim to provide an adult learning environment.

Kei ngā ākonga Māori o Te Puna Wai o Waipapa! If you're Māori and in Year 9 or Year 10 we want to make sure you feel welcome in our whare. Every Wednesday lunch time all Māori students are invited to the whare for whakawhanaungatanga- getting to know each other. There's kai, games, and plenty of chances to meet other students, our kaiako Māori, and learn more about what's on offer here at kura. We'd love to see you there- nau mai, haere mai!

Beginning of the Year

This can be a difficult time for both students and staff! Please be patient and anything you are unsure of, please ask. **If you are lost or uncertain - go to the main reception area.**

School Guidelines

The primary purpose of these guidelines is to provide students and staff with a safe and pleasant learning and teaching environment.

Dress

While acknowledging the right of students to dress individually, it is expected that all clothes worn are clean and in good repair. It is expected that clothing worn is suitable to be worn in an educational institution. There is a requirement that clothing is not too exposing and does not have pictures, designs or language displayed that is offensive to others. Students need to be aware that while the College does not have a problem with students with body piercings, some course providers and employers do. If you intend seeking placements on courses or work exploration you need to be mindful of this. **Please note:** the wearing of long studs as worn accessories is not acceptable at Hagley, and students will be asked to remove them. Shoes must be worn at all times.

Boundaries of the College

The supervision area includes all of the College and the surrounding streets (both sides) as well as the area of Hagley Park immediately opposite the College up to the edge of the hockey/cricket field. The pathway around the park is to be kept clear at all times for joggers etc. We supervise this area for your safety. For the purpose of these rules, the supervision area is considered part of the College. Junior students must not leave the College grounds during the school day unless for a pre-arranged appointment approved by a parent.

Physical and Verbal Violence

Physical or verbal abuse or intimidation of staff or students will not be tolerated.

Racial, Gender Orientation and Sexual Harassment

Hagley Community College provides an environment where harassment is neither tolerated nor condoned. Sexual harassment contact people are available to deal with concerns you may have in that area. The College also has a racial harassment officer. See under Student Services for who to contact if you are being harassed.

Alcohol, Drugs, Solvents

The consumption, possession, supply or being under the influence of such substances is prohibited on the College premises, within the College vicinity, for all students travelling to and from the College, at College functions, and on College trips. The College's Well-being Team have a zero tolerance policy for such substances.

Smoking & Vaping

Hagley has a smoke-free environment policy. Smoking & vaping on the College site is prohibited for all students, staff & visitors. Senior Students who smoke or vape must do so away from the college site. Hagley Park is also a smoke free environment.

Students are not permitted to congregate and smoke outside the gates. This includes vaping. Cell phones and ear buds/headphones must be turned off and in bags during class time. In special circumstances, an exemption may be granted.

Theft

The theft of any property belonging to the College or individuals is a serious offence. If you have to bring something valuable to school hand it in to Reception for safe keeping.

Movement about the College

All movement in the grounds and within buildings is expected to follow common sense rules, e.g. observing "left hand" system in corridors. Cycles should not be ridden so as to endanger or inconvenience pedestrians. This applies particularly near the Pre-School and on blind corners. Cars must observe speed limits set and must not be driven in a way that would endanger others. **Skateboards & scooters are not to be ridden on college grounds.**

Emergency Procedures

You should read the instructions posted on the wall close to the door of each classroom you use. These instructions give details of the evacuation route you have to take and show the area you have to meet in after leaving the building.

A continuous alarm bell will ring.

- 1 Follow the directions of your teacher.
- 2 Use the evacuation route for the classroom you are in.
- 3 Move quickly - do not stop or detour to collect personal items.
- 4 Stay in your class group at your assembly area. Sit on the ground at that point.

Follow the instructions of your teacher this is likely to involve:

1. Move in to the middle of the room and stay on the ground, stay still.
2. You will know the lockdown is over when a member of the college Senior Leadership team visit the room and tell you it is over.

Attendance

As part of the acceptance of an enrolment into the College, students commit to full attendance in all of their programmes for the complete academic year.
