

Subject Selection 2026

How to make your subject Selections

- Go to Te Puna Wai o Waipapa – Hagley Portal and select My Learning.

You will now be on the Schoolbridge website

The screenshot shows the SchoolBridge website interface. On the left is a teal sidebar with navigation icons and labels: Home, School Calendar, Notices, and Learning Areas. The main content area has a white background. At the top, it says 'Welcome to SchoolBridge' next to a user profile icon. Below this is a welcome message: 'Welcome to information about you and the subjects you are studying at Te Puna Wai o Waipapa'. It then asks for the user's NSN Number. The main area contains a grid of 11 teal icons, each with a corresponding label: Permission Slips, Timetable & Attendance, Assessment Calendar, School Calendar, Notices, Course Information, Learning Areas, Favourite Courses, Courses I've Selected for 2026, and Leaving Intentions.

Welcome to SchoolBridge 

Welcome to information about you and the subjects you are studying at **Te Puna Wai o Waipapa**

Your NSN Number is:

-  Permission Slips
-  Timetable & Attendance
-  Assessment Calendar
-  School Calendar
-  Notices
-  Course Information
-  Learning Areas
-  Favourite Courses
-  Courses I've Selected for 2026
-  Leaving Intentions

Using the Dashboard

You can click onto the different tiles – the crucial ones for selecting your subjects is [Course Information](#).

From here you can start browsing and selecting your courses.

If you are not returning then please complete the [Leaving Intentions](#) tile

Kia Ora and Welcome to Subject Selection 2026

It is now time for students who are in Years 10 to 13 to select their courses for 2026.

It is important to take the opportunities for advice, which the school provides, as you plan for your courses, talk to your teachers, your tutor and careers.

We ask that all subject selections for Years 10 to 13 are made by **Monday 25th August**.

There will be assemblies in Week 4 for Year 10, 11 and 12 students about subject selection.

There will be an opportunity to discuss your subjects as part of the Tutor led conferencing on **Thursday 7th August**.

Tuesday 12th August 5pm to 7 pm - 2026 Subject course information in Auripo foyer. Where you can discuss the different subjects with staff members.

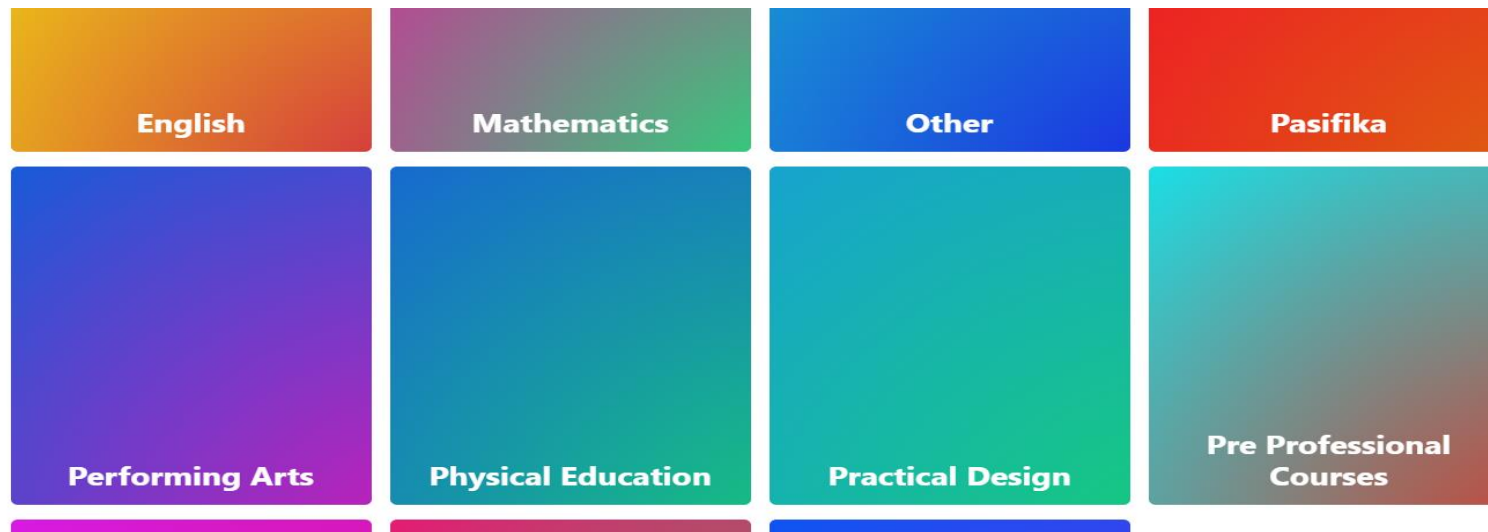

Please click on the Useful Information section to find out more details on how to select courses.

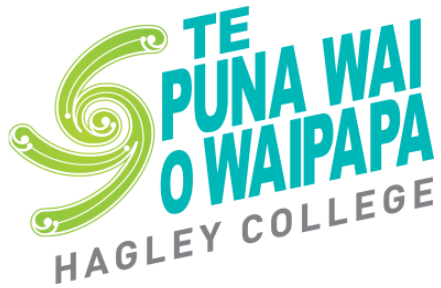

If you wish to do a Pre-professional course - you just need to enter the course, with an explanation of why you wish to take this course - you do not need to select backs ups or other subjects unless you want to.

If you are interested in an After 3 course then please see the staff in the enrolment centre, you cannot select After 3 classes through this site.

If you have any difficulties with the subject selection process then please contact Catherine Horne catherine.horne@staff.hagley.school.nz

You can now explore the different subjects that are on offer by clicking on the Learning Areas – this will then take you to all the courses that are offered in this learning area.

In the Learning Area of Maths the following courses are available. You can then click on a tile to read about the course

13MAC
13 Calculus (13MAC)

13MAT
13 Maths (13MAT)

13MAS
13 Statistics (13MAS)

11MAT
11 Maths (11MAT)

11MAA
11 Maths with Algebra (11MAA)

12MAT

12 Maths with Algebra (12MAA) (12MAA)

▼ Description

12 Maths with Algebra

This course is designed for students who wish to continue Maths to a higher level. It is excellent preparation for NCEA Level 3 Calculus and Statistics and/or a Science pathway.

Course Components

- Learn how to apply algebraic methods to solving problems
- Practice applying calculus methods in solving problems
- Gain further skills in statistics and probability problems
- Make connections between algebra and graphs

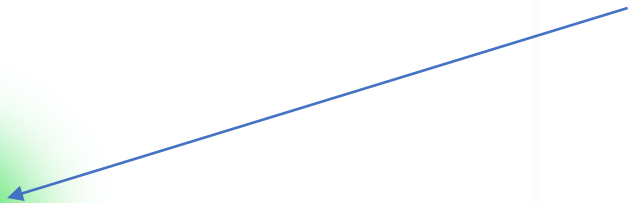

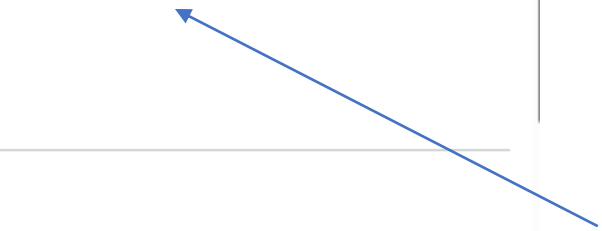

Teacher in Charge

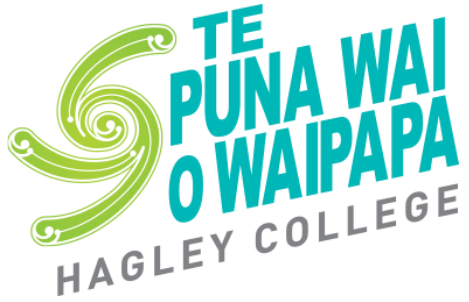

✔ Select Course

When looking at the courses you can add to a list of favourites

You can select as one of your courses if you know this is what you want to do

Points to remember

- In Year 11 – You need to be taking 6 subjects must include English/Te Reo, Maths and Science (and 2 backup subjects)
- In Year 12 – You need to be taking 6 subjects (and 2 backup subjects)
- In Year 13 – As a full-time student you need to be taking 5 subjects (and 2 backup subjects)

- If you are selecting a pre-professional course – select this at this stage only (if you wish to do other subjects– you will do this when you have been accepted into the pre-professional course)

- Your choices are saved as you are going – so you can come back to them
